

Post-Warranty Service Contract Plans

MOTIV™ Inline Buffer Formulation System

Thank you for purchasing a MOTIV Inline Buffer Formulation (IBF) System from Asahi Kasei Bioprocess. You can expect this asset to drive down your operational costs over the next 7 to 10 years, and to ensure trouble-free operation, we offer service contract plans to keep your IBF System in proper working condition after the warranty expires.

We recommend the Platinum level for frequent users (e.g., users with multiple cycles per week). Please contact your local account manager for pricing information.
